

Connecting your Realtor.com profile with TT using your Global ID

To retrieve your Testimonial Tree global identifier please follow the below directions:

1. Login to Testimonial Tree however you access your account
2. Click the gear and/or image button in the top right hand corner of the application
3. Click the "Account" menu item which will take you to your account profile settings page
4. On the ride side panel, Copy the ID under, "Connect Accounts" or click on the green button

5. Inside your realtor.com account, you'll want to access your "Profile" and then click on "Recommendations". Then the column on the right will open and then click on 'Connect' and enter the GUID from your TT profile in the window that pops up.
